

Du kannst das Jahr unterteilen in:

days, months and seasons.

VORSICHT: Tage und Monate schreibt man mit großen Anfangsbuchstaben!

year (*sprich: jia*) = Jahr
 day (*spr.: dej*) = Tag
 month (*spr.: manf*) = Monat
 season (*spr.: siisn*) = Jahreszeit

Let's start with the days!

A Whoops, Ms. Chalk mixed all the days up! Can you help her to put the days into the right order?
