ERASMUS+ 2018 IN NUMBERS

Erasmus+ strengthens education and youth systems and improves employability through funding for education, training, youth and sport. Between 2014 and 2020, Erasmus+ will give 3.7% of young people in the EU a chance to study, train, volunteer or gain professional experience abroad. The budget for Erasmus+ was €2.8 billion in 2018. National Agencies are responsible for managing most parts of the programme in each country.

LEARNING ABROAD

Erasmus+ helps people of all ages and backgrounds develop and share knowledge and experience at institutions and organisations in different countries. It enhances skills and intercultural awareness and helps people become engaged citizens.

In 2018, 19 378 participants in 488 Austrian projects benefited from mobility in higher education, vocational education and training, school education, adult learning and youth for a total grant amount of €33.17 million.
